## 1st Choice Difference

We are Your Independent Agent.

We specialize in all types of top quality manufactured homes. Our professional sales staff is fully trained to make your home buying process a smooth and rewarding experience. Unlike our competition we don't hand you off to someone else for delivery, setup etc. Your 1st Choice Home Centers agent will work with you through the whole process and coordinate everything with you. You can't find better service anywhere. Have a question? Just call.

### No Hidden Charges

Have you received a quote from our competition? Does that quote include delivery within 200 miles, skirting, A/C and setup? With 1st Choice Home Centers that is all included. On a typical home that alone can save you 8 to 12,000 dollars.

### More Choices

The 1st Choice difference means that you don't feel stuck with one brand of home. We are not a factory dealer pushing "our brand" of home. Instead, you can compare models of many manufacturers right here at one location and still get factory direct pricing. Our professional sales staff will walk you through every step of the way - your "One Stop Shop" throughout the whole purchasing process including financing. And, we service what we sell, unlike some dealers where you are on your own after the sale.

## Top Quality Homes

### Factory Direct Pricing - Top Home Builders

1st Choice Home Centers is an independent manufactured home dealer representing the best home construction companies. We have all factory direct pricing. What does that mean? That means that we have negotiated the same pricing that the home manufacturer's own company dealer stores have. But, with a huge selection of many styles and price ranges from different home builders mean big benefits to you our customers. So stop by and compare a wide variety of styles from many builders at one place. Stop by or call and see what an *Independent Dealer* can do for you.

We carry the top brands including [Clayton Homes](#), [SE Southern Energy Homes](#), [Cavco Homes of Texas](#), [Champion Homes](#), [Legacy Homes](#), [Redman Homes](#) and more.

Plus a large [Ready-for-Delivery On-site inventory](#).

### Factory Direct Authorized Dealer

1st Choice Home Centers is an authorized dealer with factory direct pricing of Champion Homes, Clayton Homes,
